

The guerrillas have recently burnt three part-houses in this State—at Albany, in Clinton county, at Marion, in Crittenden, and at Taylerville, in Spencer county. They also pillaged the stores and robbed the citizens, killing two men at Albany and beating the sheriff nearly to death. At Marion, the Captain persecuted the citizens to remove the county records.

**Motions** in the Circuit Court for now were granted to Verdict, Hunter, and Mr. [illegible], and the prisoners discharged.
